FIRES & FIREPLACES COLLECTION

Welcome to bemodern®

Welcome to this very special selection of beautiful fires and fireplaces.

Mankind's fascination with fire has always generated a desire to create a central area of warmth and security in the home, but today our theme is very much about modern living.

The ambience a new fireplace can bring to a home can be a life changing experience for the family. A wonderful Be Modern fireplace will give you years of pleasure; a place to entertain friends, to reflect or just to relax.

Browse through this collection and you will journey through time with

our designs; from the traditional, period styles to the cutting edge contemporary creations, this compilation includes it all.

We guarantee you'll find your perfect fireplace. So relax, unwind and imagine your makeover crowned with a beautiful Be Modern fire or fireplace.

THE *Marble* COLLECTION

Of all the materials to create a fireplace with, micro marble is surely the most luxurious, providing the most beautiful finished piece.

Be Modern micro marble is hand selected and hand finished to perfection. With a consistent pattern micro marble guarantees a smooth and high quality finish.

THE *Electric* COLLECTION

All Be Modern electric fireplaces have been carefully designed to provide a glowing natural focus on any wall, in any room.

With tasteful designs from traditional to contemporary, the heat is instant and thermostatically controlled for lasting comfort.

THE Timber COLLECTION

New styles, new finishes and individually selected real wood veneers have created a stunning resurgence in timber fireplaces.

Be Modern's beautiful Timber Collection presents a range of design options from traditional through to contemporary.

12 Month warranty on Abbey and Avantgarde models

For over 50 years Be Modern has been manufacturing fires and fireplaces to the highest of standards.

All gas fires are rigorously tested and checked by our internal Quality Control Department to the latest ISO standards before being sent to our approved retailers. All gas fires are supplied with a 5 year warranty providing you with the reassurance and peace of mind that you have purchased and installed a high quality product.

All fires are fitted with an Oxygen Depletion Sensor that shuts off the gas supply if the oxygen level is too low in the room or if there is a blockage in the chimney or flue. Only use a Gas Safe Engineer to fit or service your gas fire.

All gas fires are supplied with a 5 year warranty
