

# Woodwarm Gas Range

Handcrafted in Devon

**WOODWARM**  
STOVES 

## Instant control at the touch of a button.

Designed for style, comfort and maximum efficiency, our Gas Range brings instant control at the touch of a button.

The range features the Phoenix and Kalido models, both of which run on either Natural Gas or LPG.

Phoenix Gas Stoves are handcrafted in Devon to the highest possible standards and are modelled on the popular Phoenix Multifuel Range, with it's large feature glass door.

The Phoenix Range comes with the option of a unique fan assisted convection system and with a choice of log or coal effect.

### Phoenix 3 Gas Stove

- Remote controlled
- Thermostatically controlled
- Log or coal effect
- Runs on Natural Gas or LPG
- Conventional or Balanced flue
- Interchangeable top or rear flue
- Option of unique fan assisted convection system

As shown opposite

## Phoenix 7 Gas Stove

- Remote controlled
- Thermostatically controlled
- Log or coal effect
- Runs on Natural Gas or LPG
- Balanced flue only
- Interchangeable top or rear flue
- Option of unique fan assisted convection system
